Welcome to the 2018 school year. It is great to be back! A special welcome to the 33 student's new to Eskdale School this year. School has been a relatively quiet place over the last 6 weeks but it certainly came to life this morning with the happy buzz of 307 children. It was awesome seeing the way the children enthusiastically came in the gate ready for the challenge of the year ahead. We held a Powhiri this morning to welcome the new students, staff and any new families. It was a really positive way to start the 2018 school year.

Eskdale School Teaching Team and Support Staff: This year we welcome three new teachers and one new person to the support staff team. The staff list below includes the syndicate leaders in bold and everyone's email address. Please feel free to touch base with me or any of the team at any time.

If you ever have any questions, queries or issues please contact the classroom teacher in the first instance. The sooner they are aware of an issue the sooner they can do something about it. If you have any further concerns please contact their syndicate leader, one of the Deputy Principal's or myself. As always my door is open. (Most of the time anyway).

Kuaka: After a variety of native bird names were put forward by the students, the new class name chosen was Kuaka. (Pronounced coo-aka). This was selected because it is the Maori name for the godwit and the godwit is a migratory bird. The students in this new block will be getting ready to migrate to High School which of course is the next step on their educational journey. It is a fantastic space and I know the learners will make the most of the opportunity of being in this new block.

Meet the Teacher: The Meet the teacher night is on Monday 19 February. This year we will meet in syndicates with the year 1/2 syndicate (meeting in Kea Class) and year 3/4 syndicate (meeting in Toroa Class) at 5.30pm. This will be followed by a sausage sizzle where you can catch up further with your classroom teacher or one of the other teaching staff. The Year 5/6 syndicate (Meeting in Karearea) and the year 7/8 syndicate (Meeting in Kuaka) will have their meetings begin at 6.45pm. If you are coming along for the later meeting or staying for both, please feel free to catch up over a sausage in bread.

Fake News: Yes hard to believe but Fake News has hit our shores. I am not sure if any of you saw the article on “stuff” or in the Sunday Star Times but we were in the headlines. In an article about the school fees/donations it had our school in 2016 as collecting in over \$350,000 in donations (3rd highest in NZ). What the article failed to point out even though the reporter spoke to me on Friday was that in excess of \$300,000 were donations from charitable trusts etc. for the Eskdale School and Community Hall redevelopment. The amount we actually got from school fees/donations in 2016 was approx. \$20,000.

Waste Free Lunches: As we continue to develop as an enviro-gold school we will this year move to waste free lunches. Waste free Wednesday has been working well and we are now extending this over the whole week. The children will still be able to leave any food scraps at school but other rubbish- plastic wrap, chippie packets etc. will be coming home with them.

Sunsmart: We want our children to be Sunsmart. Hats are compulsory in terms 1 and 4. Please make sure your child has a hat to wear at school.

Eskdale Hoodies: Many of you would have seen the Eskdale School Hoodies on display last year or worn by some of the teaching staff. These are available for people to purchase this year. If you would like to order one of these, please complete and return the order form which can be located later in this newsletter or the school office. We will have some sample sizes at school so that you can try them on if you wish.

Art Deco Day: Friday the 16th of February is the day we celebrate Art Deco as a school. Children are encouraged to dress up in Art Deco costume for the day. Teachers will be sharing more about this in class and I know many of the classes will be planning shared lunches etc.

Road Safety: As I am sure you are aware the before school drop off and after school pick up are very busy times at school. To ensure that everyone comes to school and gets home safely-

- No student leaves the school grounds without an adult.
- The Turning D is to be a car drop off zone only. No Parking and waiting. The buses need this space.
- On a wet day the children need to be collected from the youngest family member’s classroom.

School Fees/Donations: After being able to keep the recommended school fees/donation at the same figure over the past four years the Board of Trustees have requested that we alter this from \$30 per term to \$35 per term. These form an integral part of ensuring we can provide all of the resources we want to for our students. The funds provided by the Ministry of Education do not cover all of the resources we believe are critical in ensuring every child experiences success. Over the past 12 months we have used the school donations for increased teachers in classes (reducing teacher to student ratio), increased reading recovery time and bought some of the robotics.

2018 Recommended School Fee/Donation: \$35 per term or

- Individual Child \$140 per year discounted if paid in term 1 to \$120.
- Two Children \$280 per year discounted if paid in term 1 to \$240.
- Three or more children \$420 per year discounted if paid in term 1 to \$360.

School Swimming Sports: Both the 7yrs and up swimming sports and the 5 & 6-year-old swimming sports will be held this term. The 7 yrs. and up will be held at the Onekawa Pools on Tuesday 27 February. More detailed information to come.
