Welcome to the December and final Newsletter for 2018. This year has seen many highlights as our students have reached for the stars. I have been continually impressed by our students many successes at local, regional and national level in 2018. It has also been awesome seeing all of our students continuing to develop and share the Eskdale School values in all areas of their school life. Our children have had wide variety of opportunities this year including in the arts, sports, cultural and of course academic areas. Thank you to everyone who has given up their time to support our student's activities whether it be helping on the PTA, contributing through the Board of Trustees, transporting on a school trip, coaching a sports team, or coming in as a classroom help. It is great to be able to partner with you to make the most of the opportunities for our learners. I want to acknowledge the hard work and dedication from our teaching and support team at school. As a team they are always looking out for how we can create the best learning opportunities for our children.

### Hawkes Bay Triathlon

Last Tuesday we had a contingent of students tackle the Hawkes Bay Triathlon at Frimley Park in Hastings. The students who took part in this gave it their best shot showing the Eskdale 'never give up' attitude. All the students performed well and there were some outstanding results as can be seen below:

Lachie Harkness 4<sup>th</sup> in the Year 5 boys event.  
Tegan Anderson 2<sup>nd</sup> in the Year 6 girls event.  
Jayden Moody 3<sup>rd</sup> in the Year 7 boys event.  
James, Daniel and Wil 2<sup>nd</sup> in the Year 8 boys team event  
Tia Anderson 1<sup>st</sup> in the Year 7 girls event.

### 2019 Eskdale School Organisation

I am pleased to let you know that we have a stable looking team to start the 2019 School Year. Due to a large number of students in the year 5/6 area next year we have had to create a year 4/5 class. This class will be part of the senior school team and will have a number of the youngest year 5 students and oldest year 4 students based in that room. We will be opening an additional new entrant class in term 2.

#### 2019 Class Lists

The teaching and management team have been planning and organising the classes for 2019. The process for placing a child in a class is rigorous, we know the children well and we always aim to get it right for the individual child and the dynamic of each class and learning team as a whole. The class lists will be shared on Wednesday, 19 December via the website and the school noticeboards. A child will be in the class they are placed in for at least the first six weeks of the school year. If there are any concerns or worries after this time I am more than happy to discuss these with parents.

## ENVIRO NEWS

We were fortunate to receive funding from the Hawkes Bay Regional Council LEAF Grant earlier this term to purchase various bug houses to enhance the biodiversity at school. These are a great resource for classes studying insects, currently Year 1 & 2 pupils. Look out for the Ladybird, Butterfly and Leafcutter Bee houses around the school gardens.

Have you seen the great new scarecrow in the veg garden? It was designed and made by pupils in Kea class with the help of Debbie Paviour and seems to be helping to keep the birds away from our crops. Our school was awarded First equal

with Taradale Primary in the Council Best School Environment category this year.

Congratulations to the Enviro Squad who ran a successful stall at Market Day this year, making \$522 profit for EFS activities. Thank you to everyone for your support. We still have succulent tea cups and a beautiful selection of cards available for sale in the school office.

Our Year 3 & 4 students have enjoyed a variety of activities in our outdoor learning areas this term. Many thanks to all the friends and family members who have helped with this, we couldn't do it without you!

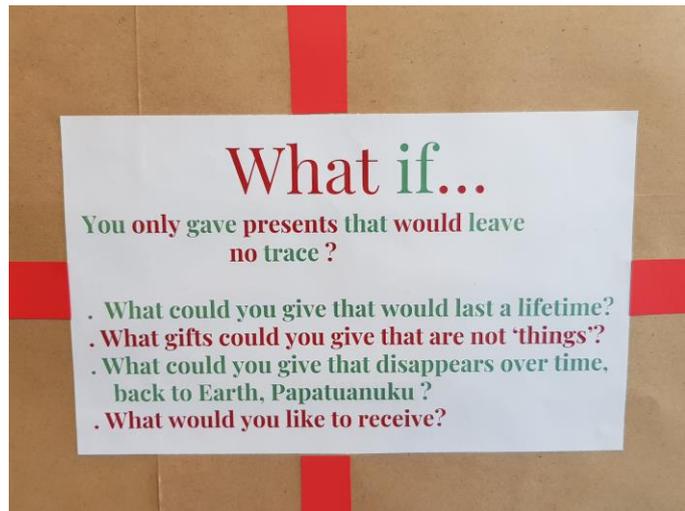

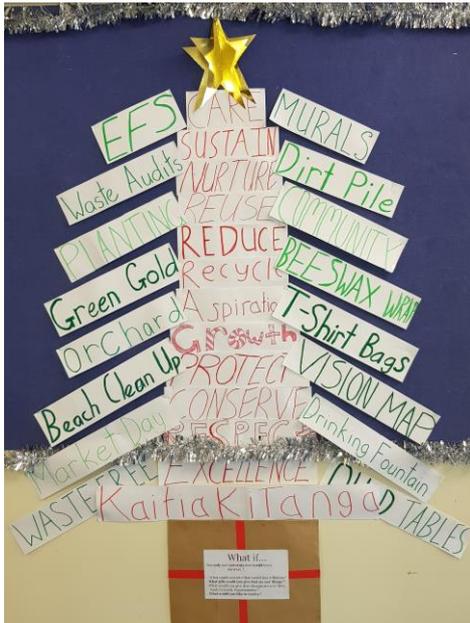

Best wishes for a Merry Christmas and safe and happy holidays. Enjoy all the good things that the season brings!

Do you know **somebody** who has an **uncle** who knows **someone...???**

We **URGENTLY** need a contact for bark to use as mulch on our gardens. If you know someone who chips up trees and is looking for a site to dump it, please let us know!

Many thanks to the Sumner family for collecting bark so we could make a start on this project.

## PTA NEWS

Huge thanks to the team that organised this year's Bay View Market Day. Special thanks to the great organising team of Amanda Roborgh, Michelle Barnes and Toni Reid. Michelle and Toni are new to the school and new to the market day planning so massive thanks to them for stepping up and doing such a fab day. Amanda kept us in line and specifically kept the council happy, with support from Karen Hellyer. Lots and lots of people were involved in making the day a success and for that I thank you.

The future of this event will be discussed as its becoming more and more difficult to get people to help. Health and Safety and council requirements need to be adhered to and parking regulations are required, at a cost. If you are interested and able to help out in 2019 please let us know as this may help us to make the decision to rebook the park and noticeboards. However, the event made approximately **\$15,000.00** for the school.

Thank you to all the wonderful parents and businesses who supported the Café at Market Day again this year. Many hands make light work and without your support, the Café would not have run so smoothly nor have been as successful – doubling last year's profits.

All of the donations we have received in the past weeks were fantastic. Some last minute requests and emails were gratefully acted upon – thanks! We know it has been a lot of work, but everyone did a wonderful job and we sincerely thank you for your efforts and generosity.

We thank those who donated baking, time, support and/or equipment, all of which were very much utilised on the day. Thank you to all the grandparents who offered to babysit or bake goods, and for those that did both! Thank you to A & M Panel Repairs for their donations of a hamper for a raffle, cupcakes and stunning flowers. Also special shout out to Branded who continue to support the school with their branding company by donating the amazing signs, which John Double fitted to custom-made stands.
